Dear Reader

Job Application Cover Letter

With over 15 years of educational excellence, I am excited to apply for the above position and contribute my knowledge and expertise towards making your university as a world recognized institution. My goal is to educate the young minds with the state-of-the art technologies and impart my knowhow to cement your institution as the place-to-be for high quality education.

This is What I Offer:

I bring with me tremendous experience such as classroom management, developing innovative as well as captivating pedagogy content and ultimately creating a holistic learning environment. Besides that, I have successfully authored over 30 publications covering books, journals as well as proceedings while invited to numerous local and international conferences as a speaker. As a matter of fact, I was invited as the Keynote Speaker during the 4th OIC World Biz 2013.

Furthermore, I am also a highly sought-after expert in the areas of educational content development particularly in Multimedia Instructional and curriculum design. Throughout my career, I have always been known for my outstanding interpersonal abilities and my thirst in improving myself professionally. Hence, I would welcome the privilege of speaking with you further in a formal interview.

Thank you for your time and consideration.

Sincerely yours.....
